

What they're already saying about:

***The Meaning of Mary Magdalene: Discovering the Woman at the Heart of Christianity* - by Rev. Cynthia Bourgeault**

- Forthcoming from Shambhala Publications, September 2010, paperback, 272 pages

“Pastor, Scholar, Mystic...Cynthia Bourgeault is all of these, but never before has she combined them so compelling and persuasively and—dare one say it?—so efficaciously as here in this work that lives so close to the center of her own being.”

- Phyllis Tickle, compiler, *The Divine Hours*

“This is a very great book, a spiritual masterpiece, and by far the wisest and most profound book ever written on Mary Magdalene. All Christians and all seekers drawn to the Path of Love should buy this book, read it again and again, and inspire themselves with the holy insights it abounds with.”

- Andrew Harvey, author and spiritual teacher

“A remarkable invitation into the origins and wisdom of Christianity, through the apostolic witness of Mary Magdalene. Expect a challenge, perhaps more than you're ready for. Look especially for profound insights about singleness as oneness or unity, sacrificial love as the willingness to surrender what your heart holds most dear, and discipleship as the road of infinite compassion. This book should change something, as it invites you to deepen your capacity for love, through the witness of Jesus' beloved disciple.”

- The Most Rev. Katharine Jefferts Schori,
Presiding Bishop, The Episcopal Church

“It takes courage, intelligence, maturity, but mostly Christian intuitive wisdom to write a book such as this. Cynthia Bourgeault succeeds grandly! She makes a hidden treasure visible, soon obvious, and finally very desirable.”

- [Fr.] Richard Rohr, O.F.M.

Center for Action and Contemplation, Albuquerque, New Mexico
