

# Christology and Christophany compared

*“Christophany is just Christology with a vertical axis...”*  
—*Matina Hayman, March 7, 2007*

## **CHRISTOLOGY**

1. culturally embedded
2. metaphysically embedded
3. intellectual
4. “masculine” (“aggressively rational”)
5. implicitly monotheistic
6. dualistic (stuck in polarities)
7. “I-it” perspective
8. closed system, historically oriented

## **CHRISTOPHANY**

1. interculturally oriented
2. Open to “homeomorphic equivalency”
- 3, “pneumatic”—requires “third eye”
4. “feminine” (contemplative)
5. Implicitly Trinitarian
6. *Avdaitic* (nondual)
7. “I-I” perspective
8. Open-ended, continuously self-revealing and creating
