New eCourse with Cynthia Bourgeault!

IMAGINAL WISDOM SCHOOL

Drawing from her groundbreaking book *EYE OF THE HEART*, Cynthia Bourgeault illuminates the particular qualities and gifts of the Imaginal realm as an accessible world just beyond our own, and available to us for spiritual nurturance and exchange.

This eCourse includes over 40 video recordings filmed live during a five-day Wisdom School in North Carolina, August 2020. The content has been formatted and organized for easy access and use in an eCourse format, carefully preserving the daily rhythm of the live event, but flexible enough to adapt to your own setting and circumstances. Includes opportunities to connect with other course participants as well.

Hosted by Wisdom Way of Knowing.

MYSTICAL COURAGE:
Commentaries on Selected Contemplative Exercises by

G.I. Gurdjieff, as Compiled by Joseph Azize

When the pandemic struck in 2020, Cynthia turned to Joseph Azize's newly published collection of spiritual exercises from the Gurdjieff teaching, exercises that for decades had been kept apart from the general public. She invited others to join her in a rigorous practice. What emerged over a six-week collective journey was a remarkable series of revelations and reflections encompassing not only the Gurdjieff tradition but her own deep insights into the Christian mystical and wisdom traditions. Here is a profoundly renewed vision of *Mystical Courage*, a hope and strength emerging from beyond our own making that is available right now to guide our way.

Cynthia's letter to the Wisdom community

On May 1st Cynthia shared some recent developments and her sense of direction going forward. Here's a brief excerpt:

More than anything else, it's a sense that my post is being shifted out from under me, and the choice before me is either to accept or reject the new assignment. So many of those trained in the old school of spiritual midwifing are now on the other side, and it seems that a new group of us must step forward to hold as best we can their vacated posts as imaginal gatekeepers. Ready or not, here we go!
